**Re: Directive issued by the New Brunswick Energy and Utilities Board
as it relates to the Interrogatory Process**

Please be advised that the New Brunswick Energy and Utilities Board (Board) has determined that in all future hearings, interrogatories (IRs) submitted by any party should be numbered **consecutively** regardless of whether the IR is submitted in the 1st or 2nd round of questions.

For example, if a party submitted 15 IRs in the first round of questions, the first IR in the second round of questions would be numbered 16.

The Board is also encouraging all parties to adopt the following format when filing IRs:

Name of Applicant (name of party submitting IR) IR- number Date of IR
