

NEW BRUNSWICK
ENERGY & UTILITIES BOARD
COMMISSION DE L'ÉNERGIE ET DES SERVICES PUBLICS
NOUVEAU-BRUNSWICK

Media release

May 6, 2019

The New Brunswick Power Corporation has applied to the New Brunswick Energy and Utilities Board for approval for an average 2.5% increase in the rates it proposes to charge. The proposed increases range from a high of 2.9% for Residential customers, down to a proposed 1.7% increase for General Service and Small Industrial customers. In addition, NB Power is seeking approval to create a Regulatory Deferral Account with respect to certain Demand Side Management expenses and other relief as outlined in its application.

The Board will hold a Public Session at which any member of the public may attend and comment on any aspect of NB Power's application. This session will be held on the evening of Thursday, May 9, 2019, at the Delta Fredericton, 225 Woodstock Road, Fredericton, N.B., at 6:00 PM. **The Board has also added an afternoon session beginning at 3:30 PM.**

Any member of the public wishing to attend and provide comments must register with the Board by email at general@nbeub.ca or by calling 1-866-766-2782. Participants are required to provide their contact information and their language of choice.
