Media release

January 7, 2021

The New Brunswick Energy and Utilities Board has received an application from Irving Oil requesting an interim increase to the wholesale margins for motor fuels and furnace oil of \$0.035/litre, as well as a final order increasing the wholesale margin for motor fuels from \$0.0651/litre to \$0.1054/litre and an increase to the wholesale margin for furnace oil from \$0.055/litre to \$0.0963/litre.

The Board has set a pre-hearing conference for Monday, January 25 at 9:30 a.m. for the Board to consider the following:

- a. Minimum Filing Requirements;
- b. The specific process that will be used by the Board to consider this application;
- c. An appropriate filing schedule;
- d. Intervenor Requests;
- e. Irving Oil's request for an interim order under section 40 of the *EUB Act*, including any written or oral submission of approved Intervenors; and,
- f. Any other relevant issue.

The pre-hearing conference will be held via the Zoom Web Conference platform. Interested parties can visit the Board's website at www.nbeub.ca for details on how to request to intervene.

The application and related documents can be viewed at www.nbeub.ca by searching Matter number 486.

The Board's proceedings are open the general public to attend and observe, and as such, the Board invites any person or organization interested in observing the proceedings to contact the Board at general@nbeub.ca to obtain the sign-in information for any of the upcoming hearings.
