New Brunswick Energy and Utilities Board

Rules of Procedure

1. General

1.1. *Introduction*

- 1.1.1. The New Brunswick Energy and Utilities Board has broad powers and responsibilities to inquire into, hear or determine any application, matter or thing over which it has jurisdiction. In so doing, the Board is the master of its own procedure and may give directions about process and procedure.
- 1.1.2. The Board has a legislated mandate to “ensure procedural fairness to all affected persons” in relation to matters that come before the Board. This obligation is supplemented by common law principles governing the rules of natural justice applicable to bodies that exercise delegated powers.
- 1.1.3. The Board’s Rules of Procedure are intended as a comprehensive, consolidated set of procedural rules governing matters that come before the Board that involve a hearing process. Despite the above, applicable legislation and regulations may prevail over these Rules or may contain procedural requirements not covered by these Rules.
- 1.1.4. The objective of these Rules is to reduce uncertainty concerning Board procedure and document Board practice. This enhances the ability of the Board to ensure procedural fairness in all matters.

1.2. *Application and Scope*

1.2.1. These Rules shall apply to:

- (q) such other processes as the Board may direct.

1.2.2. At any time in a proceeding, and notwithstanding anything in these Rules, where considerations of public interest and procedural fairness permit, the Board may in its discretion dispense with or vary these Rules in whole or in part.

1.2.3. The Board may at any time in a proceeding make Procedural Orders with respect to the procedure and practices that apply in the proceeding. Any such order shall prevail over these Rules for the purpose of such proceeding.

1.2.4. The Board may in its discretion extend or abridge the time fixed by these Rules or by the Board, on its own initiative or in response to a request by a party, either before or after the time so fixed has expired.

1.2.5. Where procedures are not provided for in these Rules, the Board may do whatever is necessary and permitted by law to enable it to adjudicate fairly, effectively and completely on the matter before it.

The Board may dispose of the motion with or without a hearing.

3.2.6. Where, by reason of an inability or insufficient time to study any document filed by an applicant or made available upon the initiation of a proceeding, a person is unable to include in an Intervener Request all of the required information, the person shall include in the Intervener Request a statement explaining the inability and shall file with the Board and serve on the applicant, if any, a supplemental Intervener Request containing the balance of the information required by this Rule 3.2, no later than a) 10 days prior to any pre-hearing conference set out in the Hearing Order or (b) 15 days following the original deadline for filing an Intervener Request, whichever is sooner.

3.3. Participation by Comment

3.3.1. A person who is not a party to a proceeding or does not wish to be an Intervener, but who wishes to make comments to the Board regarding a proceeding, may file with the Board a letter of comment prior to any date set by the Board for such purposes.

3.4. Public Forum

3.4.1. The Board may hold one or more public forums prior to, during or after the formal hearing of any proceeding, to allow members of the public to make oral submissions to the Board in relation to the subject matter of the proceeding.

3.4.2. If the Board decides to hold a public forum, it will inform all parties and will publish such public notice as it deems appropriate.

3.4.3. A person who wishes to make an oral presentation shall register with the Board by contacting the Board by telephone, mail or email at general@nbeub.ca on or before the date specified in the Board notice, and providing the Board with contact information and the official language in which the person proposes to make the presentation.

3.4.6. No written submissions will be accepted by the Board at a public forum, unless the Board otherwise directs.

4. Interim Procedures

4.1. Pre-Hearing Conference
