Scheduling Change for Issuing Maximum Prices

Remembrance Day, November 11, 2020

The New Brunswick Energy and Utilities Board (Board) wishes to advise petroleum wholesalers about an upcoming change to the date when maximum petroleum prices will be issued by the Board. The *Petroleum Products Pricing Act* (the Act) and *New Brunswick Regulation 2006-41* mandate that changes to maximum prices come into effect each Thursday, with wholesalers receiving notice of the changes the day prior. Under certain circumstances, the legislation prescribes changes to the schedule, circumstances which will occur next week.

As Remembrance Day (November 11, 2020) falls on a Wednesday this year, subsection 3(2) of New Brunswick Regulation 2006-41 applies:

where Wednesday is a statutory holiday, the Board shall set the maximum wholesale and retail prices to take effect the following Friday.

Accordingly, new maximum prices for the Remembrance Day pricing period will be sent to wholesalers on Thursday November 12, 2020. New prices will come into effect on Friday November 13, 2020.

As always, in accordance with subsection 3(4) of the Act, wholesalers are to ensure that retailers to whom they sell petroleum products are informed of any changes to maximum prices before they come into effect.

If you have any questions, please contact the Board at (506) 658-2504.
