Subject: Liberty Utilities (Gas New Brunswick) – Matter 494 Rate Application

The New Brunswick Energy and Utilities Board (Board) acknowledges receipt of Mr. Dave Lavigne's letter of May 30, 2022.

In the letter, Mr. Lavigne, on behalf of Liberty, requested a call with Board staff to discuss this letter and how best to proceed.

The Partial Decision of the Board dated May 19, 2022, states that “the Board will issue an order approving the distribution rates for each class of customers, effective as of June 1, 2022” subject to the approval of Liberty's refiled documents.

To allow for discussion, however, the Board will not issue an order approving rates at this time and will provide further direction in the coming days.

Sincerely,

Kathleen Mitchell
Chief Clerk
