**Cost of Carbon Adjustor**

On December 16, 2022, various amendments to the *Petroleum Products Pricing Act* (Act) and *General Regulation – Petroleum Products Pricing Act* (Regulation) came into force. Subsequently, the New Brunswick Energy and Utilities Board (Board) directed Board staff to retain an expert consultant to conduct a review and file a report concerning the criteria and procedure that the Board should use to establish the cost of carbon adjustor.

The Board is also seeking submissions from primary suppliers, wholesalers, retailers, other interested parties, and the Public Intervener for the Energy Sector regarding the methodology to be used in setting the cost of carbon adjustor.

The Board set a deadline of February 15, 2023, for submissions on the above noted issue.

Board Staff filed a letter dated January 19, requesting an extension to the filing deadline.

The Board is now setting the filing deadline of **March 6, 2023, at 4:00 p.m.** for submissions regarding the methodology to be used in setting the cost of carbon adjustor. Submissions shall be filed by email to [general@nbeub.ca](mailto:general@nbeub.ca). The subject line of submissions shall refer to “Cost of carbon adjustor.”
