APPLICATION FOR APPROVAL OF ITS 2023 DISTRIBUTION RATES

NOTICE

Liberty Utilities (Gas New Brunswick) LP (Liberty Utilities) has filed an application with the New Brunswick Energy and Utilities Board (Board), seeking the following:

- (1) Approval to change its distribution rates effective July 1, 2023;
- (2) Approval of its 2021 Regulatory Financial Statements;
- (3) Approval of a Revenue Decoupling Mechanism, including a Weather Normalization Adjustment;
- (4) Approval of a Revenue Decoupling Mechanism Variance Account;
- (5) Approval of full inclusion of Liberty's corporate allocations;
- (6) Approval of amounts related to its Large Industrial Contract Service Rate Class Variance Account, its Payments from Natural Gas Distribution Fund Variance Account; its Revenue Requirement True-Up Variance Account, as well as approval to use this variance account for the 2023 test year; and
- (7) Such further or other order, decision or direction of the Board.

The above-mentioned application and supporting documents may be viewed on the Board's website at www.nbeub.ca under Matter 533.

The Board will hold a Pre-Hearing Conference for this Matter, by video conferencing, on **Wednesday, April 5, 2023, beginning at 9:30 a.m.** Interested parties may attend and make representations about the procedure to be followed and any other relevant matters. Guidelines for the video conferencing will be provided to all parties prior to the scheduled Pre-Hearing Conference.

Parties who intend to intervene should register by visiting the *Rules of Procedure* section of the Board's website at www.nbeub.ca and complete the "Intervener Request" form. The form should be completed and filed with the Board no later than Friday, March 31, 2023, at general@nbeub.ca. Parties are to indicate the official language in which they wish to be heard.
