NOUVEAU-BRUNSWICK

Notice

The New Brunswick Energy and Utilities Board is happy to announce that the Lieutenant-Governor in Council has appointed Ms. Stephanie Wilson as Vice-Chairperson of the New Brunswick Energy and Utilities Board, for a term of seven years.

Ms. Wilson was previously appointed as a Board Member in 2022.

Ms. Wilson has over 25 years of energy industry experience. Prior to joining the Board, Ms. Wilson held business development and commercial leadership roles for TC Energy's Mexico and Canadian natural gas pipeline systems. Over her career, she has held varied positions that have also included responsibilities for energy market fundamentals, regulatory strategy, project management, operations and maintenance, as well as community and stakeholder relations. Ms. Wilson is a UNB graduate and a member of the Association of Professional Engineers and Geoscientists NB.

The New Brunswick Energy and Utilities Board extends congratulations to Ms. Wilson and welcomes her to the next phase of her contributions to the energy industry in New Brunswick.
