NOTICE

Review of the Maximum Wholesale Margin for Petroleum Products

The New Brunswick Energy and Utilities Board will conduct a public hearing, pursuant to subsection 14(1) of the *Petroleum Products Pricing Act* to review the maximum wholesale margin for petroleum products to ensure that it is justified. After the review is completed, the Board may adjust the wholesale margin.

The Board has retained Signal Energy Consulting to review the current margin. A report on its findings has been provided to the Board and a copy published on the Board's website in both English and French.

The Board will hold a Pre-Hearing Conference in this matter via Zoom videoconference on **Wednesday, July 9, 2025, beginning at 9:30 a.m.** Interested parties may attend and make representations about the procedure to be followed.

Parties who wish to intervene in this matter should visit the Board's website at www.nbeub.ca, click on the "Rules of Procedure" tab, and then select "Procedural Forms-Utility Matters." There, parties will find an "Intervener Request" form. This form, specifying Matter: PT-002-2025 should be completed and filed with the Board by email to general@nbeub.ca no later than **4:00 p.m. on Monday, July 7, 2025.** Parties are to indicate the official language in which they wish to be heard.
