NOTICE

Review of the Cost of Carbon Adjustor

The New Brunswick Energy and Utilities Board will conduct a public hearing pursuant to subsection 14(2.1) of the *Petroleum Products Pricing Act* and section 13.2 of the *General Regulation—Petroleum Products Pricing Act* to review the cost of carbon adjustor to ensure it remains justified. After the review is complete, the Board may order that the cost of carbon adjustor be adjusted.

The Board has retained Doane Grant Thornton to review the current Cost of Carbon Adjustor. A report on its findings will be provided to the Board on or before **Friday, October 3, 2025** and a copy will be published on the Board's website in both English and French.

The Board will hold a Pre-Hearing Conference in this matter via the Zoom videoconference platform on **Friday, October 17, 2025, beginning at 9:30 a.m.** Interested parties may attend and make representations about the procedure to be followed.

Parties who wish to intervene in this matter should visit the Board's website at www.nbeub.ca, click on the "Rules of Procedure" tab, and then select "Procedural Forms-Utility Matters." There, parties will find an "Intervener Request" form. This form, specifying Matter: PT-003-2025, should be completed and filed with the Board by email to general@nbeub.ca no later than **4:00 p.m. on Wednesday, October 15, 2025**. Parties are to indicate the official language in which they wish to be heard.
