COMMISSION DE L'ÉNERGIE ET DES SERVICES PUBLICS
NOUVEAU-BRUNSWICK

ORDER

MATTER: EL-002-2025

IN THE MATTER OF an Application by New
Brunswick Power Corporation in accordance
with subsection 107(1) of the *Electricity Act*.

November 20, 2025

NEW BRUNSWICK ENERGY AND UTILITIES BOARD

IN THE MATTER OF an Application by
New Brunswick Power Corporation in
accordance with subsection 107(1) of the
Electricity Act.

O R D E R

WHEREAS:

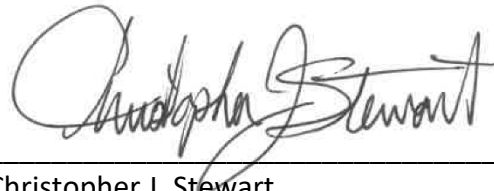

1. On November 17, 2025, NB Power made a motion to the Board supported by an affidavit of Justin Urquhart, sworn on the same date, returnable at the pre-hearing conference scheduled in this matter for November 20, 2025;
2. In the said motion NB Power sought changes to the schedule previously set by the Board in Matter EL-003-2025, NB Power's general rate application for the 2026/2027 fiscal year, which involved delaying the public hearing for Matter EL-003-2025 from its previous commencement date of Monday February 2, 2026 to a later date and advancing the commencement of public hearing in the within matter from NB Power's previously suggested date of March 9, 2025 to an earlier date;
3. Some of the parties initially opposed the particular commencement date for the public hearing in Matter EL-002-2025 and the new date for the commencement of the public hearing in Matter EL-003-2025 sought by NB Power in its motion;
4. After settlement discussions between the parties to both Matters present at the hearing of NB Power's motion and in conjunction with the pre-hearing conference held in this matter on November 20, 2025, including NB Power, a consensus and agreement with respect to NB Power's request with respect to a hearing schedule for Matter EL-002-2025 and a revised hearing schedule EL-003-2025 was reached between those parties, which provided, among other things, that the public hearing in Board Matter EL-003-2025, NB Power's general rate application for the 2026/2027 fiscal year will no longer commence on February 2, 2025, but will now commence on March 9, 2026 and the public hearing in Matter EL-002-2025, an application for approval of the so-called "RIGS" generation capital project under section 107 of the *Electricity Act* will commence on February 9, 2026;
5. Given the consent of the parties and the Board's view, the scheduling parameters agreed by the parties present are reasonable and in keeping with procedural fairness.

IT IS ORDERED THAT:

1. The hearing schedule attached hereto as Appendix "A" will be the hearing schedule to be followed in the within Matter.

Dated at the City of Saint John, New Brunswick, this 20th day of November 2025.
