NEW BRUNSWICK
ENERGY & UTILITIES BOARD

COMMISSION DE L'ÉNERGIE ET DES SERVICES PUBLICS
NOUVEAU-BRUNSWICK

NOTICE

The Board is authorized to monitor and assess compliance with approved reliability standards pursuant to section 122 of the *Electricity Act*, the *Reliability Standards Regulation - Electricity Act* (the "**Regulation**") and Schedule "A" to the Regulation, being the New Brunswick Compliance Monitoring and Enforcement Program ("**NB CMEP**")

The Board is required, pursuant to the NB CMEP, to develop an Annual Implementation Plan that identifies:

- Approved Reliability Standards that will be actively monitored during the coming year;
- The methods to be used by the Board for monitoring compliance with each Approved Reliability Standard; and
- The Annual Audit Plan.

On Wednesday, November 18, 2026, the Board approved a draft Annual Implementation Plan for 2027. This draft Annual Implementation Plan is now available on the Board's website at www.nbeub.ca under Matter No. ER-008-2026.

Interested parties are invited to submit written comments on the draft Annual Implementation Plan on or before **Tuesday, December 8, 2026**, and should contain a reference to Matter ER-008-2026. Written comments can be submitted by email at general@nbeub.ca or by using the contact information below:
