### Changes to Maximum Price Schedule – Christmas/New Year 2024

The New Brunswick Energy and Utilities Board sets maximum prices for petroleum products sold in New Brunswick as per the *Petroleum Products Pricing Act*. In accordance with the Act and the *General Regulation – Petroleum Products Pricing Act* changes to maximum prices come into effect each Friday, with wholesalers receiving notice of the changes the day prior. The legislation also prescribes changes to the schedule in certain circumstances which may occur over the Christmas/New Year holiday period.

This year Boxing Day (December 26<sup>th</sup>) falls on a Thursday. In that situation subsection 3(2) of the General Regulation provides:

*...where Thursday is a holiday, the Board shall set the maximum wholesale and retail prices to take effect the following Saturday.*

**Accordingly, new maximum prices for the pricing period of December 27, 2024 through January 2, 2025 will come into effect on Saturday December 28, 2024. Wholesalers will receive notice of new maximum prices the day prior.**
